VIGNA GRANDE 2022

IGT Terre Siciliane Nerello Mascalese

Vigna Grande - our flagship wine, is meticulously crafted on the slopes of the volcano. This wine embraces our Sicilian heritage where our family has been producing wine for nearly two centuries. Almost lost to urban development, Etna Urban winery is an oasis in the heart of San Gregorio di Catania, on the island of Sicily. Our passion for wine making and the unique growing conditions, combine to create a subtle yet palate pleasing flavor profile..
